Intelligence Bureau,
(Ministry of Home Affairs)

A lady calling herself Emilie Schenkl came to notice some time in 1943 or 1944, when she wrote a letter to Shri Sarat Chandra Bose during his detention in Ootacamund in Madras. She claimed that she had been the secretary of Shri Subhas Chandra Bose at Vienna in 1936 and 1937, and that their acquaintanceship had led to their marriage before Shri Subhas Chandra Bose left for the Far East in the begining of 1943. They had a daughter named Anita. Frau Schenkl is reported to have explained that she did not write to ask for money, but to let Shri Sarat Chandra Bose know that Subhas Chandra Bose was married, that she was his wife, and that they had a daughter.

We have no information about the present financial resources of the mother and daughter. It is known that Frau Schenkl was in occasional correspondence with Shri Sarat Chandra Bose during his life-time, as well as his daughter Shrimati Chitra. These letters were written from Ferrogasse 24, Vienna XVIII/110, Austria.

According to an unconfirmed report, Frau Schenkl is employed at the G.P.O. at Vienna. Her child and she were reported to have spent a fortnight at Glyon, in Switzerland with Shri Sarat Chandra Bose and his family during their

last European tour. A tentative suggestion made at the time, that the mother and child should visit India, was reported to have been infructuous, probably because the suggestion was left for reconsideration during Shri Sarat Chandra Bose's next visit to Europe.

Shri Amiya Nath Bose, a nephew of the late Shri Subhash Chandra Bose, wishes to make certain remittances to the latter's widow in Vienna. For certain reasons it is necessary that the amount be remitted to our Vice-Consul in Vienna who will disburse the amount to the lady. We have asked the Reserve Bank to approve any applications made by Shri Bose for reasonable remittances to the Vice-Consul in Vienna. We shall be grateful if the Ministry of External Affairs will inform the Vice-Consul of the proposed procedure. The procedure has been agreed to by Shri N.R.Pillai on behalf of the Ministry of External Affairs vide his U.O.No.D-2037NGO/52, dated the 19th June 1952. Information regarding the address of the lady will probably be available with the P.M's Secretariat (Dr. B.N.Kaul).

PRIME MINISTER'S SECRETARIAT

I am sending you a letter from Shri Asaf Ali and copy of my reply to it. If he is agreeable, I should like to send £.100/- to him or to our Vienna representative to be kept for Subash Bose's wife. The money will be sent through official sources but will be privately arranged for.

A | Is it possible to send some tea to our representative in Vienna for Subash Bose's wife?

B | What is the position about Hungary? I have an idea that we had agreed to exchange diplomatic representatives.

A: If there is no objection to this proposal to an Austrian citizen, I suppose it will have to go through customs, etc. Alternatively, we could ask our representative who could see the Austrian authorities whether there is any objection to the proposal. You might ask for their views.

Please see Sr.Nos. 13-A and 14-A in the NGO file placed below. This relates to the procedure devised by us, in consultation with Finance, to enable Shri Amiya Nath Bose, a nephew of the late Shri Subhas Chandra Bose, to make regular remittances to Mrs. Bose in Vienna.

As regards sums placed at the disposal of E.A. by P.M. to be sent to Mrs. Bose in Vienna, the simplest procedure would appear to be to credit the money into the Imperial Bank of India, Delhi, under the head "Suspense-Berne" and to authorise our Minister in Berne to withdraw from his funds its equivalent in local currency, debiting it, in his ~~xxxx~~ books, to "Suspense-Berne". Such a transaction will not figure in the regular official accounts; and this is the procedure which we adopt for sending money received from D.M.I. or D.I.B., to their officers in our Missions abroad for expenditure under secret service grant. Concurrence of Finance will be required to such a procedure as currency exchange regulations are involved.

As the transaction is of a private nature it would be preferable to remit the money direct to the Vice Consul for disbursement. This was the procedure adopted on an earlier occasion (please see last sentence of paragraph 2 of Mr Kamath's note at enclosure 9-A). If, however, for any special reasons it is considered desirable to pass the transaction through Govt. accounts we would have no objection to the proposed procedure. To satisfy audit a special order to the A.C.G.R will be necessary in that case. Incidentally the Suspense should be Suspense-Vienna. Since the lady is in Austria the disbursement would be made by the Vice Consul. I believe this Vice Consulate is financed separately from London and not through the Berne Legation.

'Suspense-Berne' and not 'Suspense-Vienna' was proposed in view of P.M's instructions on prepage (last line). In this connection, please see also para 3 of P.M.'s letter at Sr.No.16-A. P.M's intention appears to be to send £100 to Mr. Asaf Ali and leave it to him to disburse it to Mrs.Bose as and when necessary through our Vienna office.

Re: 'A' above: The Vienna office, which is, of course, financed from London, comes under the C. & I.Ministry for budget purposes. The authorisation in regard to the above transaction should therefore issue from that Ministry, if it is proposed to credit the money to 'Suspense-Vienna'.

TA 12/9
JS(Aff)

Perhaps the best course would be to remit the money to Vienna through private channels as suggested by Finance Min., and to arrange that disbursements from it should be made by our Vice-Consul at Vienna on Mr Asaf Ali's instructions.

In view of what Shri K.V. Ramaswamy says in his letter dated the 6th September, 1952, no tea parcels need be sent.

2. As regards the remittance of the sum of £100/-, Prime Minister agrees that the procedure suggested by the Finance Ministry should be followed. The money should be sent on private account to our Vice Consul in Vienna and he should be asked to deal with it at his discretion, that is, to give it to Frau Schenkl in cash or in the shape of gifts — all together or in instalments. He should keep us informed of what he does.

3. Arrangements for making available to the External Affairs Ministry here this sum of £100/- will be made. But we would like to know in whose favour the cheque should be drawn and for what amount in rupees.

The Agent, Imperial Bank of India, New Delhi, has been consulted on the best method of sending £ 100/- to our Vice Consul in Vienna on private account. The Imperial Bank may give us a draft for £ 100/- on a Bank in Vienna in favour of our Vice Consul on our paying its equivalent in Rupees (Rs 1337-15-7 or Rs 1338- 0-0) and also getting the approval of Finance and the authorisation of the R.B.I. for this remittance.

We may therefore inform PPS to P.M. that the equivalent of £ 100/- is Rs 1338-0-0 and that a crossed cheque may be issued in favour of the Agent, Imperial Bank of India, New Delhi. Before getting the cheque, however, Finance Ministry (Mr. Shiralkar) may please see with reference to their note of the 10th September and agree to the proposed course. They would doubtless ask the Reserve Bank of India to issue the necessary authorisation to the Imperial Bank of India, New Delhi, and endorse copies to us for necessary action.

I do not know if you are acquainted with the story of Subhas Bose's wife and daughter in Vienna. We have decided to set aside two lakhs of rupees in some kind of a trust for the daughter and the present proposal is that the trustees should be Dr. B.C. Roy, myself and the girl's monther, Frau Schenkl. The money comes from non-official sources and is being handled by the All India Congress Committee office. We have in fact for the present invested it in the joint names of Dr. Roy and myself. We have also arranged to send Rs. 1,500/- every quarter to Frau Schenkl for her daughter. This will represent, roughly, the interest we will get on this sum.

2. These payments etc. will have to be done through Gundevia or through our man in Vienna who is in touch with Frau Schenkl. Probably, the AICC office have already approached External Affairs to help them in sending this money or they might do so later. You might please clear this up.

3. Dr. Roy has sent me a draft trust deed which I enclose. This is drafted in pompous legal language which I do not even understand at the first reading. You might have a copy of this draft deed sent to Gundevia so that it can be shown to Frau Schenkl in Vienna and her reactio taken.

4. Personally, all this seems to be very complicated and I would prefer some simpler method. Also I do not quite understand how Dr. Roy, myself and Frau Schenkl ar going to collect at one place to sign this trust deed.

5. You might send a copy of this trust deed to our Law Ministry also for any comments they might make. A for their general advice as to what would be the best or for us to adopt, i.e. the simplest course. The money i re and we wish to safeguard it till the girl attains a cer ag

Relevant NGO file (No.52/34/NGO) dealing with financial assistance to the wife and daughter of late Shri Subhas Bose is submitted herewith.

2. No reference in the matter (portion marked 'A' on pre-page) has been received from the A.I.C.C. office so far.

3. It may be stated in this connection that in 1952 the Prime Minister provided from a private account a sum of £100 for disbursement to the wife of late Shri Subhas Bose. Its equivalent in rupees was paid to the Agent, Imperial Bank of India, New Delhi, who, being duly authorised by the Revised Bank of India, gave us a draft for £100, in favour of the Vice-Consul, Vienna, on the Imperial Bank of India, London, which is also negotiable in Austria. We sent the draft to the Vice-Consul for disbursement to Frau Schenkl, the wife of late Shri Subhas Bose, under direction of the Ambassador, Berne. Please see notes at minutes Nos.28 to 31 and S.Nos.32A to 35A. In the present case also we may follow the same procudure as and when we receive money from the A.I.C.C. Subject: Financial assistance to the Bose family.

P.M.'s minute dated the 14th March, '54 (at 68 ante) mentions that arrangements has been made to send Rs.1,500/- every quarter (or Rs.6,000 per annum) to Frau Schenkl. Since then we received two cheques for Rs.3,000/- each from the A.I.C.C. office, New Delhi on the 25th March, 1954 (at 72-A corrs) and 23rd June, 1954 (at 92-A corrs) which were duly paid to Frau Schenkl (in local currency) through our Legation in Vienna. It is presumed that the amount of Rs.6,000/- sent so far will cover the entire year April 1954 to March 1955 and that no more remittances need be made during this period. From the sum of Rs.2 lakhs set apart by the Working Committee of the Indian National Congress for the benefit of Miss Anita Bose, daughter of late Shri Subhas Chandra Bose, the AICC have been sending us cheques with the request to arrange to remit the amount through our Mission in Vienna. The AICC have been sending us amount calculated at the rate of Rs.500/- p.m. The last payment of Rs.3000/-sent to Shrimati Bose was in May, 1956. We have been receiving from the All India Congress Committee direct, and sometimes through Shri M.O. Mathai, cheques for Rs.3,000/- representing six-months assistance to the daughter of Shri Subhas Chandra Bose. From the papers flagged on the file it would further appear that the AICC have been sending us the cheques on their own accord. Only on one occasion we addressed the AICC asking them to let us have the cheque for the period July-December 1956. This was done as a specific request was received from the mother of Miss Anita Bose, through our Charge d'Affaires in Vienna.

2. The periods for which the amounts sent from time to time relate have been indicated in pencil in the statement attached to the F.R. It will be seen therefrom that the last instalment sent in March 1958 actually related to the period July-December 1957. We have not in fact received any amount from the AICC since December 1957. The assistance from January 1958 is accordingly due to Miss Anita Bose. We may address the AICC in the matter and ask them to let us have a cheque for Rs.6,000/- representing the assistance due to Miss Anita Bose during this year. A draft letter is put up for approval.

3. The validity of the Permit issued to this Ministry for making remittances to the Indian Legation in Vienna expired on 30.6.58. The Min of Finance may therefore be asked to request the Reserve Bank of India to issue a fresh Permit to enable us to remit the amount of Rs.9,000/- to our Legation during the period ending 30th June 1959. A draft u.o. Note is put up for approval.

Dear Sir,

Ref: The press news about the miserable Condition of wife and daughter of Hon late Shri Subash chandra Bose living in Vienna (Europe).

Recently it was a matter of great shock to public as well as to undersigned to read in newspapers that the wife and daughter of our great

leader Late Netaji Subash Chandra Bose are living under great mysery and financial difficulties in & Somewhere in Europe. Not only this their condition is so bad that sometimes they are without food for days. It was also revealed that a small financial help was sent to them by our Prime Minister which is insufficient.

In fact Netaji was greatest leader of his time and owe much to our gr. Country. The wife and daughter of such a big leader living in mysery is really a matter of great shame for India.

I have become greately interested in them and wish to help

My dear Uma,

Sjt. Ramaswamy has forwarded to me letter No.D.5232-EUR.II/50 dated 30th September, 1950, addressed by the Ministry of External Affairs to our Chancery in Vienna. From the initials I gather that it was issued under your instructions.

I am sending this D.O. letter because the matter is very delicate and has got to be very carefully handled.

The Prime Minister and Deputy Prime Minister are aware of all the facts, and I think that before you reply to the letter, it would be advisable for you to obtain instructions from them.

So far as the mother and daughter are concerned, we are giving them a certain amount of help. They are not living in affluence, but nor are they living in penury. They are living ~~like~~ as middle class people in Vienna live. We are in constant touch with them and we look after them. Whenever I go there, I always meet them and also take them out, and do all that is possible. You ofcourse know that our relations with Netaji were such, that I would do my utmost to look after them.

With best regards,

Yours very sincerely,

My dear Sankara Pillai,

In continuation of my letter No.Sec/57/93, dated the 25th November, 1958, acknowledging the receipt of a draft for £.449-4-4, our Bankers have expressed their inability to cash the draft as it bears the endorsement "Negotiable within the sterling area only" as against the endorsement "transferable area". Our Bankers are, however, agreeable to cash the draft provided they receive telegraphic intimation from the State Bank of India, New Delhi, to cash the draft. These telegraphic instructions should be followed by confirmatory advice by post with a copy to the State Bank of India, 25, Old Broad Street, London E.C.2. The address of our Bank is The Creditanstalt Bankverein, Schottengasse 6, Vienna 1 and their telegraphic address is CREDIT Schottengasse Vienna (Austria).

2. The Ambassador who is in Vienna saw Mrs. Schenkl the other day and has promised her that she will get the money not later than 15th December. I, therefore, hope that immediate action will be taken on receipt of this letter.

Yours sincerely,

My dear Sankara Pillai,

This is to acknowledge the receipt of your D.O.letter No.52/34/NGO, dated the 15th November, 1958, together with a draft for £.449-4-4. The usual receipt from Mrs. Schenkl will be sent to you in due course.

2. We have checked with our records and find that confusion arose due to the fact that when the previous drafts were sent, no mention was made in the covering letter from the Ministry as to the period for which the money was meant. Another reason for the confusion is that the last remittance instead of being received during 1957 was actually received in March 1958.

3. I shall now explain the position to Mrs.Schenkl on the basis of your letter.

Yours sincerely,

My dear Lukose,

Please refer to correspondence resting with my letter No.CON/8(1), dated the 18th March, 1958, in reply to your letter No.F.52/34/NGO, dated the 3rd March, 1958, forwarding the bank draft of £224-12-2 in my favour for Mrs.Schenkl. The other day Mrs. Schenkl enquired from me as to why she had received a remittance of £224-12-2 only once during 1957 and again in 1958 as against two remittances each for the years 1954, 1955 and 1956.

2. I attach herewith a statement which explains the position.

3. Some time back the Prime Minister had enquired from my wife whether Mrs.Schenkl was in need of any additional assistance. Mrs.Schenkl on being asked had then said that she did not require any additional assistance but during my talk to which I have referred above, she said that the statement she had made earlier about not wanting additional financial assistance was based on the presumption that she would continue to get remittances as she was getting till 1956 viz. two remittances of £224-12-2 per year. I shall be grateful to be informed in due course about the Ministry's views on the above.

Yours sincerely,

Subject: Short Notice Question No.289 proposed to be asked by Shrimati Manjula Devi in the Lok Sabha regarding financial assistance to the family of the late Subhas Chandra Bose.

Will the Lok Sabha Secretariat kindly refer to their u.o.No.SNQ-U/58-Q dated the 24th April, 1958 on the above subject?

Attention is invited to the answer given in the Lok Sabha in reply to starred question No.1961 on the 8th May, 1953; and the points raised in the Notice of the question under consideration are covered by that. Subsequently starred question D.No.824 proposed to be asked in the Lok Sabha on the 10th December, 1956, on the same subject, was disallowed. Indidentally this also infringes subrules (xii) and (xv) of rule 60(2) of the Rules of Prodecure of the Lok Sabha in that this seeks information on a question already answered and also necessary information is available in accessable documents i.e. proceedings of the House.

These facts may kindly be brought to the notice of the Speaker in deciding the admissibility of the question.

Dear Shri Kapur,

Please refer to your letter dated the 5th May 1956 in reply to my letter No.F.52/34/NGO of the 30th April 1956.

I find that in the past no disposal instructions of the type suggested in your letter were ever called for and your Bank used to issue the necessary draft in Pounds Sterling on the basis of a request from us and the Reserve Bank of India permit. In this connection, I invite a reference to my letter of even number dated the 16th August and yours dated the 18th August 1955. It is important that the disbursement of the amount in question is made to Miss Bose at the earliest; if we were now to obtain the specific authorisation from those who signed the cheque in terms of your letter under reply, I am afraid, it will result in delay which we are anxious to avoid. In this context, I trust you will kindly see your way to issue the draft as in the past on the basis of our request and the Reserve Bank of India permit No.EC.DH.135/55 dated the 8th August 1955 which is enclosed herewith for reference and return at your convenience.

My dear Mehta

Please refer to the correspondence resting with your d.o. letter No.F.52/34/NGO of May 23, 1956, on the subject cited above. Frau Schenkel has recently been asked to vacate her house as the property has moved into the hands of new owners. Apparently, after considerable difficulty, she has located a suitable property for outright purchase. As she is short of funds, she has discreetly enquired whether there is any likelihood of her receiving at an early date the usual draft from the All India Congress Committee. Could you please help her?

Q. 141

SHRI M. VALIULLA: Was any attempt made to invite her to India?

SHRI JAWAHARLAL NEHRU: Yes, she was invited three,-may be more -years ago and the invitation has been repeated since then.

DR. R.C. MITRA: Do Government propose to give some financial assistance to the lady?

MR. CHAIRMAN: She refuses to take.

SHRI C.G.K. REDDY: May I know from the hon. Prime Minister what are the sources from which assistance had been given and if he is aware that those sources continue to give that assistance?

SHRI JAWAHARLAL NEHRU: There is no difficulty about providing financial assistance. That is to say, I know of at least two or three sources who have sent some assistance from time to time at odd moments - because she was rather embarrassed at receiving it but she did not want publicity to be given to it. There is no difficulty about that. I don't know whether I am entitled to tell the sources but I gather that apart from other sources, the family of Shri Subash Bose had also sent her occasional help.

SHRI M. VALIULLA: May I know whether the family of Netaji has been in correspondence with her?

Q.No.1961.

Shri L.J. Singh: May I know whether the Government of India were in contact with the other members of Netaji Subhash Chandra Bose's family in Calcutta with regard to the extension of State aid and also with regard to the bringing back to India of his wife and daughter and, if so, what are their reactions?

Shri Jawaharlal Nehru: The Government of India's reactions or the family's reactions? Whose reactions?

Shri L.J. Singh: The reactions of the family members.

Shri Jawaharlal Nehru: I find some difficulty in answering these questions because there are certain delicacies about them. So far as the Government of India are concerned we have known about this for the last three or four years and we have been anxious to do everything in our power to help, to invite and do everything, but not to do anything which might perhaps not be welcomed on the other side. And we drew the attention of the members of the family at the earliest moment; and they have dealt with the matter separately and directly, in so far as I know, since then.
